February is...

BLACK HISTORY MONTH

The month of February is Black History Month. Black History Month was created to honor achievements and recognize contributions of African Americans in the United States. This month was first started by Historian Carter G. Woodson to set aside time to recognize and educate people on black history and the many achievements.

This year, Black History Month's theme is
"African Americans and the Arts"

Chapter Spotlights

ALPHA CHI OMEGA - ELLIE MCCARVILLE

Ellie, a freshman majoring in Aerospace Engineering and a member of the Alpha Chi Omega made history on Saturday February 10th as she stepped up as the half-court shooter during ESPN College Gameday. In groundbreaking achievement, she became the first even female at KU to successfully make the half-court shot in 20 seconds nonetheless. When asked about her accomplishment she said "What an incredible experience. It's exciting to be the first female to make the half-court shot! I think it just goes to show girls can hoop too!". Ellie we are so proud of this amazing accomplishment, congratulations! .

KAPPA ALPHA THETA - TOP OF THE HILL

Congratulations to Kappa Alpha Theta for being Top of The Hill for the Fall 2023 semester! As a chapter to encourage academics they hold a scholarship dinner for those who recieved a 4.0 the previous semester to get together to relax and celebrate their successes. Additionally, to support one another members can nominate each other for "Smarty Pansies" at chapter to highlight achievements such as good exam scores, job or internship offers, and other academic accomplishments. This allows them to hear all the great things their members are doing on campus. Great job and congratulations to your members!

ALPHA DELTA PI - COMMUNITY SERVICE

Shout out to Alpha Delta Pi for having the highest percentage of community service hours for the Fall 2023 Semester! Overall, they had an average of 9.6 hours per chapter member. During the fall semester Alpha Delta Pi participated in the Big Event and volunteered within the local Lawrence community at the Lawrence Humane Society, park cleanups, Hillcrest Elementary School Carnival, Just Foods, Salvation Army, and the Sunrise Project. Keep up the good work and thank you for serving the Lawrence community!

March is...

WOMEN'S HISTORY MONTH

Women's History Month is celebrated annually in March to recognize the vital role women have played in shaping history. This month long celebration has its roots in International Women's Day, which was first observed in the United States in 1909 and was later expanded to a month long celebration in 1987.

Women's History Month continues to evolve, adapting to contemporary issues and challenges faced by women worldwide. This month is a time to reflect on the accomplishments and contributions of women in fields such as science, politics, literature, the arts, and so much more! It remains a time for reflection, celebration, and advocacy for gender equality.

Keeping Up With PHA
